

# Sound Bullet - Hope

tom:

G

C7M Bm7

Heavy clouds seem closer than before

C7M Bm7

It's the same old crushing force

C7M Bm7

But deep within we are stronger than we know

C7M Bm7

And If you're struggling like me know

G7M

There's something more

Am Bm C7M

There's so much more to believe in

C7M Bm7

Don't believe in how everything is supposed to be

C7M Bm7

I've seen their lies exposed

C7M Bm7

In tiny blue screens they tend to easily overflow

C7M Bm7

But hope is growing so we're the home for a change
