

Sound Bullet - I Was In Lisbon, You Were In Paris

tom:
 G
 Relentlessly days been running
 E
 Gbm
 Though this clock is not turning
 Dbm7 Gbm7 Abm7 A7M
 Should I be worried are we out of time?
 E
 Listening to the same songs
 Gbm
 I used to when I was close to you
 Dbm7
 Like Daniel said: we found love
 Gbm7 Abm7 A7M
 But should we give up?
 E
 Things have not been great in the last couple days
 E7M
 Dbm7
 But let's pretend everything is fine just 'til we're eye to
 eye
 Abm7
 Figure out if there's a we between you and I

E7M
 Remember the days
 A
 we've planned just going away
 Dbm7
 Silly teens won't last forever
 Gbm7 Abm7 A7M
 They'll see the falling out of love
 E7M A
 I wish I was up north later this year
 Dbm7 Gbm7 Abm7 A7M
 But I know the cold won't mend what's no longer there
 A7M
 And I was never ever really there
 E7M
 Never ever really there
 A
 And then I knew
 A7M
 Although you never really seem to care
 E7M
 We dived deeper into what we can't bear
 A A7M
 And then we knew
 E7M
 Waters are clearing now
