

Soundgarden - Black Rain

Tom: **D**

(intro)

love, could I try

me For your wings to cover
unless I fall

light Sleepless eyes, close the
And rest your mind

(verso)

while you burn

(solo)

love, If I could hug my
could I try

me For your wings to cover
and let them fold

(pré-refrão)

the most Half alive I heard
brilliant lie

Can't stutter when you're talking with your eyes

light Sleepless eyes, close the
And rest your mind

By cutting out your tongue you save face
Feeding on the blood that's running from a black

day
(refrão)

while you burn

Rain. Cry on, Black Rain. Cry on, Black

(pré-refrão)

(outro)

Can't stutter when you're talking with your eyes

Cry on, Cry on, Black Rain. Black Rain. Cry on, Black
Rain. Cry on, Cry on.

By cutting out your tongue you save face

(pré-refrão)

Feeding on the blood that's running from a black day

Can't stutter when you're talking with your eyes

(refrão)

By cutting out your tongue you save face

Black Rain. Cry on, Black Rain. Cry on, Black Rain. Cry on,

Feeding on the blood lets running from a black day

(verso)

(solo)

If I could hug my

(final)
