Burden in my hand

this tab has two sections, a sectional tab, then a tab with the lyrics directly under if you're having trouble with the timing. this probably is totally correct, but I think it's pretty damn close. Also, this is the first tab I've ever done so if you don't like it screw you.

"Open C" tuning:  
tuning low to high CGCGGe

Pre chorus: Oh no..there she goes....

gtr.2 Kim

gtr 1&2 (after kim's riff.)

this part above is the part I really am not sure of.

Chorus: I shot my love.... (strum above chord) Rhythm is mainly 16th notes, some 32nd's some 8th's maybe. figure it out with the **CD**  
8x 8x 3x 5x

Bridge: Just a burden..tumor...anchor...

Tab with Lyrics

Verse:

follow me in-to- the desert as thirsty as you are repeat for each line of lyrics

Pre chorus:  
gtr.1 Chris

Oh no  
gtr.2 Kim

gtr.1 Chris

there she goes  
gtr.2 Kim

gtr 1&2 (after kim's riff.)

Chorus:  
8x 8x 3x 5x

I shot my love today would you cry for me  
repeat for each line of chorus

Bridge:

it's just a burden in my hand it's just an anchor on my heart

it's just a tumor in my head and I'm in the dark

Hope this is good enough.  
does anyone have Alice in Chains "Over Now" I can't figure it out, but I can tell the main vers riff is based on an **A** Blues Scale
