Intro:

Versos:

**Em** **C**  
What if all you understand,  
**G** **A**  
Could fit into the center of our hand,  
**Em** **C**  
Then you found it wasn't you,  
**G** **A**  
Who held the sum of everything you knew,  
**C** **G** **F Em D**  
We're insane but not alone, you hold on, and their gone

Verso 2:  
**Em** **C**

What if the one thing that I missed,  
**G** **A**  
Was everything I need to pass the test,  
**Em** **C**  
And if I fail what happens then,  
**G** **A**  
Can I still count on you as a friend,  
**C** **G** **F Em D**  
We're insane but not alone, you hold on, and their gone
