

# Soweto - Coisa do Ciúmes

Tom: G

Intro: G7 Bm Em D7

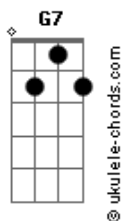

Não pode ser o fim do nosso amor  
 Se a gente tem um sonho pra viver  
 É coisa do ciúme, já passou  
 Estou ficando louco sem você  
 Eu me calo quando toco em outro alguém  
 Eu te amo, vê se pode compreender  
 Fico doído, coração bate no peito

Bate forte pra valer  
 hi...hi...hi, hei...hieeee  
 hu...hu...hu, hei...hieeee  
 Volta coração, volta e traz o amanhecer  
 O nosso amor é lindo, faz o mundo acontecer  
 Te chamo, te amo  
 É sério, um beijo na boca  
 Denovo te espero
