

Space Dogs - Hino do Colégio São Bento Criciúma

Tom: G

Sob o trono de São Bento
 nós estamos estudando
 Com alunos, pais e mestres
 formação vamos buscando
 Ó Colégio, és um mestre
 que prepara sempre mais
 novos líderes da ciência
 inculcando ideais

Estrilho:

Salve, salve o São Bento

Colégio que traduz:

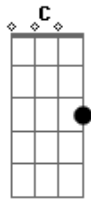

cultura e civismo
 como facho de luz

Na cidade sempre ativa
 que, cavando o duro chão
 vive sempre em roda viva
 extraíndo o bom carvão
 Tu floresces altaneiro
 paladino do saber
 De Criciúma, és o primeiro
 O teu lema é vencer
