

# Spandau Ballet - Through The Barricades

Tom: **G**

From: (CSRC )

TAB Transcription by Luis Ferreira

Lyrics were posted by someone (?) else, but they were corrected by me.  
Well, at least I changed them... :)

The chords to the strummed part were left unchanged, everything else was replaced by TAB. (Last time I forgot to mention the chords were not my own)

Thanks to Matthias Rohe ( ) for his comments and suggestions!

{ Intro }

{ Intro End }

Mother doesn't know where love has gone  
She says it must be youth that keeps this feeling strong  
I see it in her face that's turned to ice  
And when she smiles she shows the lines of sacrifice  
And now I know what they're saying as our sun begins to fade  
And we made our love on wasteland and through the barricades

Mother.. ...gone...

She says...  
...strong

I see... ...to ice...

...and...  
...sacrifice

And now I... ...as our  
sun...

...and we made...

...through the barricades

{ Now play the 2nd part of the lyrics just like you did before }

Father made my history  
He fought for what he thought would set us somehow free  
They taught me what to say in school  
I learned it half by heart but now that's torn in two  
And now I know what they're saying in the music of the parade  
And we made our love on wasteland and through the barricades

{ When you reach the double vertical mark, switch to the part below: }

Born on different sides of life  
We fear the same and feel all of this strife  
So come to me when I'm asleep ( sleep )  
We'll cross the lines and dance upon the streets  
And now I know what they're saying as the drums begin to fade  
And we made our love on wasteland and through the barricades

Born... ...life  
We feel...  
...strife

So... ...asleep

We'll...  
...streets

And now I... ...as the  
drums...

...and we made...

...through the barricades

**F C G**  
Oh turn around and I'll be there

**F C G**  
There's a scar right through my heart but I'll bear it again

**F C**  
Oh I thought we were the human race

**G F#m#5 Em**  
But we were just another borderline case

**Am7 C D**  
And the stars reach down and tell us there's always one escape

**G F#m#5 Em**  
Oh I don't know where love has gone

**C Em C D**  
And in this troubled land desperation keeps us strong

**G Bm C**  
A friday's child is through the soul

**C Em C D**  
With nothing left to lose there's everything to go

**C D G F#m#7**

**Em**  
And now I know what they're saying it's a terrible beauty we've made

**C Am7 D G**  
So we make our love on wasteland and through the barricades

**C D Em D C**  
And now I know what they're saying as our hearts go to their graves

**C Am7 C D**  
And we made our love on wasteland and through

The barricades

{ Fade out playing this repeatedly ; find someone to play the sax ;) }

Well, this certainly was a pain to type, but I think it was worth it :)  
If you find any mistakes, please email them to me.

And, most of all... enjoy!

| Luis Ferreira | You see a city in the desert  
lies |

vultures sing
