

# Spandau Ballet - Through The Barricades

Tom: G Born... ...life  
 From: (CSRC ) We feel...  
 ...strife

TAB Transcription by Luis Ferreira

Lyrics were posted by someone (?) else, but they were corrected by me.  
 Well, at least I changed them... :)  
 The chords to the strummed part were left unchanged, everything else was replaced by TAB. (Last time I forgot to mention the chords were not my own)  
 Thanks to Matthias Rohe ( ) for his comments and suggestions!

{ Intro } ...and we made...  
 ...through the barricades

{ Intro End }

Mother doesn't know where love has gone  
 She says it must be youth that keeps this feeling strong  
 I see it in her face that's turned to ice  
 And when she smiles she shows the lines of sacrifice  
 And now I know what they're saying as our sun begins to fade  
 And we made our love on wasteland and through the barricades

Mother.. ...gone...  
 She says...  
 ...strong  
 I see... ...to ice...  
 ...and...  
 ...sacrifice  
 And now I... ...as our  
 sun...  
 ...and we made...  
 ...through the barricades

{ Now play the 2nd part of the lyrics just like you did before }

Father made my history  
 He fought for what he thought would set us somehow free  
 They taught me what to say in school  
 I learned it half by heart but now that's torn in two  
 And now I know what they're saying in the music of the parade  
 And we made our love on wasteland and through the barricades

{ When you reach the double vertical mark, switch to the part below: }

Born on different sides of life  
 We fear the same and feel all of this strife  
 So come to me when I'm asleep ( sleep )  
 We'll cross the lines and dance upon the streets  
 And now I know what they're saying as the drums begin to fade  
 And we made our love on wasteland and through the barricades

Born... ...life  
 We feel...  
 So... ...asleep  
 We'll...  
 ...streets  
 And now I... ...as the  
 drums...  
 ...and we made...  
 ...through the barricades

F C G  
 Oh turn around and I'll be there  
 F C G  
 There's a scar right through my heart but I'll bear it again  
 F C  
 Oh I thought we were the human race  
 G F#m#5 Em  
 But we were just another borderline case  
 Am7 C D  
 And the stars reach down and tell us there's always one escape  
 G F#m#5 Em  
 Oh I don't know where love has gone  
 C Em C D  
 And in this troubled land desperation keeps us strong  
 G Bm C  
 A friday's child is through the soul  
 C Em C D  
 With nothing left to lose there's everything to go  
 C D G F#m#7  
 Em  
 And now I know what they're saying it's a terrible beauty  
 we've made  
 C Am7 D G  
 So we make our love on wasteland and through the barricades  
 C D Em D C  
 And now I know what they're saying as our hearts go to their  
 graves  
 C Am7 C D  
 And we made our love on wasteland and through  
 The barricades  
 { Fade out playing this repeatedly ; find someone to play the sax ; ) }

Well, this certainly was a pain to type, but I think it was worth it :)  
 If you find any mistakes, please email them to me.  
 And, most of all... enjoy!

 | Luis Ferreira | You see a city in the desert  
 | lies |  
 | | The vanity of an ancient king  
 | | The city lies in broken pieces |  
 | | Where the wind howls and the  
 | vultures sing |
