

Spice Girls - Headlines

Tom: Db

Db
The time is now or never
Bbm
To fit the missing piece
Db
To take this on together
Bbm
You make me feel complete

Ab
We fall into the future
Gb
And through the looking glass
Ab
The light shines over our heads
Gb **Ab**
And so it comes to pass

(**Db** **Bbm**)
To go beyond the surface
To reach into your soul
This love is not demanding
My heart has told me so

Ab
I hold onto my hero (ahh ahh ahh)
Gb
With faith enough to fly
Ab
The power to imagine
Gb **Ab**
Will keep this love alive

(**Gb** **Db**)
Let's make the headlines loud and true
I wanna tell the world I'm giving it all to you
Let's make the headlines loud and clear
The best things suddenly happen when you are here
If I lost my way you'd carry me home
Take me all the way to heaven
Never leave me alone (everything)
And it's just like everything matters when you are near
(matters when you're near)

(**Db** **Gb**)
And it feels so good every bell's gonna ring
Your love is alive and it's making me sing
I could fly, wanna cry, want the whole world to know
We are together, come on, baby, let's go

Ab
And words yet to be spoken
Gb
Will fall upon the page
Ab
Spellin' out true devotion
Gb **Ab**
Is all we need to say

(**Gb** **Db**)
Let's make the headlines loud and true
(say you love me and I'll say I love you too)
I wanna tell the world I'm giving it all to you
(just remember what simple words can do)
Let's make the headlines loud and clear
(all the love I have I'll give to you my friend)
The best things suddenly happen when you are near
(just remember, friendship never ends)
If I lost my way you'd carry me home
Take me all the way to heaven, never leave me alone
(everything)
And it's just like everything matters when you are near
(matters when you're near)
(Say you love me and I'll say I love you too)
Let's make the headlines true this time
(just remember what simple words can do)
There's no hiding from this magical state of mind
(I feel loved with you, I feel loved)
If I lost my way you'd carry me home
(I know)
Take me all the way to heaven never leave me alone
(You'd take me all the way to heaven)
And it's just like everything matters when you are near
(Everything matters, it really matters)
Let's make the headlines loud and true
(I feel loved with you, I feel loved)
Let's make the headlines
('cause I'm giving it all)
And I'm giving it all to you.
