

Spice Girls - Viva Forever

Tom: Gb

intr.: Ebm Bbm B Gb 3x

do you still remember how we used to be
 feeling together believe in whatever my love has said to me
 Both of us were dreamers young love in the sun
 felt like my saviour my spirit I gave you we'd only just begun
 refrão
 hasta mañana always be mine
 viva forever I'll be waiting everlasting like the
 sun live forever for the moment ever searching
 for the one

yes I still remember every whispered word the
 touch of your skin giving life from within like
 love song that I've heard
 slipping through our fingers like the sands of time
 promises made every memory saved has
 reflections in my mind
 refrão
 solo
 but we're all alone now, was it just a dream?
 feelings untold they will never be sold and the secret's safe
 with me
