

Spools - A Blessed Man of Light

Tom: D
Intro: F C Dm Bb F A7

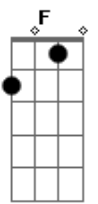

Waste the time alone, is a mistake
We so are young to fell blame
And so I don't care at all
I know that time used to be small
And I carry on my way
Singing along on highway
And I don't care at all
I don't feel no fucking shame
There's no any doubt
There's no any another way
I can't hide a lie
I can't keeping be the same
If after all, all the peoples gone away
(F C Dm Bb F A7)
I walk in the shade.
I hear a voice that calls my name
A blessed man of light (He says)

Come on son, you should to try
Oh lord the pain still remains
Full of sore I was restrained
I know that love break all the walls
And I know you won't let me fold
Hey son, don't care about it
I can free you from the pain
You'll raise and fall
You'll fly over that rain
I can light the dark
I will free you from the shade
Cause' After all, i was never go away
[Solo]
And I don't care at all
I don't feel no fucking shame
There's no any doubt
There's no any another way
I can't hide a lie
I can't keeping be the same
If after all, all the peoples gone away
