

# Spoon - I Summon You

tom: C

Intro: C Em Am Am7

[Primeira Parte]

Remember the weight of the world, it's a sound that we used to buy

On cassette and 45 and now this little girl she says that we'll be makin' it up, 800 miles is a drive

( C Em Am Am7 )

[Segunda Parte]

Well, you got the weight of the world comin' down like a mother's eye

And all that you can, all that you can give is a cold goodbye

The law enforcement's impressed you survived to this age,

Strapped up soldiers, they'll lock you in a cage

Without goodbye for a nickel bribe

[Refrão]

And aww no, where are you tonight, ugh

How'd we get here, it's too late to break it off

I need a release, the signals have called

But that don't get me off

I summon you to appear my

Love uh huh ooh, uh huh

Got the weight of the world, I summon you here my Love

( C Em Am Am7 )
