Hi this is my first tab but im fairly sure its all accurate.
You just need to listen to
song to see which bits are repeated. thanks

Tuning:eadgbe
Intro:
p.m             ..      ..       ..      .   ..      .
..      ..

p.m .....        ..  ..  ..  ..  ..  ..
```

```
the song then repeats each of the bits randomly so listen to
song for order. then it
into the solo:

| /  slide up
| \  slide down
| h  hammer-on
| p  pull-off
| ~  vibrato
|    harmonic
| x  Mute note
