

Sponge - No Woman No Cry

Tom: G

tabbed by Merlin Blencowe

The intro, played twice, the bass comes in the second time and continues pretty much the same throughout the song, but you could jazz it up a bit if you wanted.

Intro:

C G Am F C

G7 C etc

BASS

a lot of up stroaking to get that bouncy feel)

C G Am F G

The solo:(Ok, it's not perfect, but it's as close as I can get, and it seems to be the only version on the net so there.)

Acordes
