

Stacy B. Hogan - Replaced

tom:
 G
 Somebody said you were back in town
 Em G Bm D
 To find that perfect wedding gown
 C D G D
 To put on that new bitch that you found

G D
 You've known her all of fifteen days
 Em Bm
 I bet she couldn't count the waves
 C D G D
 I picked you up when you were falling down

C D
 But you needed space
 Bm Em
 All I had to do was wait
 C D
 Two weeks, one day
 Bm D
 Now she's in my place

G
 Tonight
 D Em
 I'm taking your pictures off the wall
 Bm C
 I'm giving my ex-boyfriend a call
 G D
 The one you always loved to hate

G
 Tonight
 D Em
 She's out there staring at your stupid face
 Bm C
 I've got some of these memories to erase
 G C
 But I'm doing alright, tonight
 G
 Consider yourself replaced

G D
 Somebody said you were still in town
 Em
 With your baby's new ring
 Bm
 And your wedding gown
 C
 But the bitch in white
 D G D
 Is nowhere to be found

G D
 But you lasted all of thirty days
 Em Bm
 I'm sure you'll say it was just a phase
 C D G D
 But now it's time for me to phase you out

C D
 I'm so thankful you needed space
 Bm Em
 All I had to do was wait
 C D
 Two weeks, one day
 Bm D
 Now you've been replaced

G
 Tonight
 D Em
 You're taking her pictures off the wall
 Bm C
 You're giving your ex-girlfriend a call
 G D
 But I don't care what you have to say

G
 Tonight
 D Em
 The last thing on my mind is your stupid face
 Bm C
 You've got her memories to erase
 G Em
 And my schedule was tight, tonight
 D G
 Consider yourself replaced

G D Bm Em
 I deserve to be more than your backup plan
 G D Bm Em
 I was there for you every night and day
 C
 After all the hell you put me through
 D
 It was you who ran away

G
 Tonight
 D Em
 You're taking her pictures off the wall
 Bm C
 You're giving your ex-girlfriend a call
 G D
 But this time you're a little late

G
 Tonight
 D Em
 The last thing on my mind is your stupid face
 Bm C
 You've got our memories to erase
 G Em
 And I'm doing alright, tonight
 D G
 Consider yourself replaced, replaced

D
 I'm so glad you needed space
 G
 Now consider yourself
 D G
 Consider yourself replaced
