

Staind - It's Been Awhile

tom:

Its been awhile since I could hold my head up high
 Its been awhile since I first saw you
 Its been awhile since I could stand on my own two feet again
 Its been awhile since I could call you

And every thing I can't remember
 As fucked up as it all may seem
 The consequences that I've rendered
 I stretched myself beyond my means

Its been awhile since I couldn't say that I wasn't addicted
 Its been awhile since I couldn't say I love myself as well as
 Its been awhile since I've gone and fucked things up just like
 I always do
 Its been awhile but all that shit seems to disappear when Im
 with you

And everything I cant remember

As fucked up as it all may seem
 The consequences that ive rendered
 Ive gone and fucked things up again yea
 (Am G)
 Why must I feel this way
 Just make this go away
 Just one more peaceful day

Its been awhile since I could look at myself straight
 Its been awhile since I said im sorry
 Its been awhile since ive seen the way candles light your face
 Its been awhile but I can still remember just the way you
 taste

And everything I cant remember
 As fucked up as it all may seem - to be I know its me
 I can not blame this on my father
 He did the best he could for me

Its been awhile since I could hold my head up high
 Its been awhile since I said im sorry
