Bm Db Ebm
Well I want you to notice,
To notice when I'm not around.
Bm Db Ebm
To know that your eyes see straight through me;
Bm Db Ebm
They speak to me without a sound.

(Refrão)

Gb Db
I want to hold you,
Ebm Bm
Protect you from all of the things I've already endured.
Gb Db
I want to show you,
Ebm Bm
Show you all the things that this life has in store for you

Gb Db
I'll always love you,
Ebm
The way that a father
Bm
Should love his daughter.

Bm Db Ebm
When I walked out this morning
Bm Db Ebm
I cried as I walked to the door
Bm Db Ebm
I cried about how long I'd be away for
Bm Db Ebm
Cried about leaving you all alone.

Gb Db
I want to hold you,
Ebm Bm
Protect you from all of the things I've already endured.
Gb Db
I want to show you,
Ebm Bm
Show you all the things that this life has in store for you
Gb Db
I'll always love you,
Ebm
The way that a father
Bm
Should love his daughter.

Gb Db Ebm Bm
