They say it's me
 That makes you do things
 You might not have done
 If I was away
 And that's it's me
 That likes to talk to you

And watches you
 As you walk away
 Don't say it's useless
 Don't say forget it
 Don't bring me wishes

Of silly dreams
 Just say it's all
 >From too much freedom

Too many fingers
 And to anything

They say it's you
 That washes the weary
 And brings the night into the day

If you won't notice
 How can I show you
 All of your worries

Have all gone away
 Don't leave me lonely
 Don't leave me unhappy

Just bring me up into your fate
 If you don't need me
 Then don't deceive me
 Letting my freedom turn into stone
 A E D A (2x)

Just be my angel
 If you love me
 Be my angel
 In the night
 Be my angel
 Cause you need me
 Be my angel

And treat me right
 Don't say you love me
 If you don't need me
 Don't send me roses
 On your behalf
 Just take me down

And walk through your river
 Down the middle
 And make it last
 Holding on to you
 Holding on to me
 Holding on tight

Til my love is crossed
 Don't say it's useless
 And don't say forget it
 You are my spirit
 Now you are gone
