There's a blue light
In my best friend's room
There's a blue light
In his eye
There's a blue light, yeah
I want to see it
Shine

There's a ship
That sails by my window
There's a ship that sails on by
There's a world under it
I think I see it
Sailing away

```
A          E
 I think it's sailing
A               B
 Miles crashing me by
A          E    Dbm  E   B
 Crashing me by
E
 Crashing me by
```

There's a world
Outside my doorstep
Flames over
Everyone's hot
Don't you see them shining
I want to hear them
Beating for me

```
A          E
 I think I hear them
A               B
 Waves crashing me by
A          E    Dbm  E   B
 Crashing me by
E
 Crashing me by
```
