

Mazzy Star - Into Dust

Tom: **C**

but beautiful. It would be a good Idea To play along with the CD to get the rythm down.
Intro: /Verseridge

Outro

Still falling
Breathless and on again
Inside today
Beside me today
Around and broken in two
"till your eyes shed
Like two strangers
"till my hand shook with the way of fear

(bridge)

I could possibly fading
Or have something more to gain
I could feel myself growing colder
I could feel myself under your fate
Under your Fate

(bridge)

It was you breathless and tall

(bridge)

(outro)

The only part I'm unsure about is the outro, but it'll do.
