

Star Vs As Forças do Mal - Here I Am

Tom: C

Imagine waking up
 To a world turned upside down
 Those you know are gone
 And suddenly you have the crown
 Here I am, this is me
 Brokenhearted but finally free
 Never quite fit the mold
 Just not great at doing what I'm told

Now I'm here, in your world
 So much bigger from my point of view
 Centuries from my home
 Can't go back so let's start something new
 Here I am, this is me
 Openhearted I proudly decree
 Now as queen, I am yours
 Let's make magic and reach for the stars
 Let's make magic and reach for the stars
