

# Starfield - Can I Stay Here Forever

Tom: Gb

(com acordes na forma de Capotraste na 4ª casa)

Through forgotten convictions  
 And misplaced affections  
 I'm losing the sound of your voice  
 I'm chasing after emptiness  
 Trying to tidy up this mess

And I swear I've been down this road before  
 I wanna get back to where it all began  
 When I would long for only you  
 Like a child I'll take you at your word  
 As these mountains of doubt, they fade away  
 I'm longing to trust and love you more  
 So for me this is beautiful  
 Brand new thought and a brand new world  
 Can I stay here forever, here with you?

Verse 2:

I've lost sight of what first drew me  
 To the love that persued me  
 The joy that inspired my song  
 The friendship that was all I knew  
 The arms that I would fall into  
 Seem miles and years from where I am today

Bridge 1:  
 Can I stay here forever  
 Here with you?  
 Surrounded by your mercy  
 Clothed in your truth  
 Always I'll stay  
 Always here with you

Bridge 2:  
 Can I stay here forever  
 Here with you  
 Can I know what it's like  
 To deeply love you  
 Always, Lord let me stay  
 Always here with you
