

# Stars - Midnight Coward

Tom: G

<sup>G</sup> Sweetness, <sup>C</sup> sweetness never suits me,  
<sup>D</sup> when I get up to take you home  
<sup>G</sup> Maybe it's love, <sup>C</sup> love at first slightly drunk  
<sup>D</sup> Now I'm walking with the sun in my mouth

<sup>G</sup> Worry, <sup>C</sup> worry is a well, going to let it  
<sup>D</sup> fall tonight, <sup>Em</sup> from where we stand

<sup>C D</sup> What can't be decided <sup>G C</sup>  
<sup>C</sup> In the morning it will bring itself to you <sup>C</sup>  
<sup>C D</sup> I can see what's coming, <sup>G C</sup>  
<sup>C D</sup> but I'm not saying it

<sup>G</sup> Sickness, <sup>C</sup> weakness at the thought, of  
<sup>D</sup> how you're going to play  
<sup>Em</sup> How long should I stay?  
<sup>G</sup> Promises, <sup>C</sup> promises never cease to assist it,  
<sup>D</sup> now I'm back on my back  
<sup>Em</sup> Please bite your words  
<sup>G</sup> Hurry, <sup>C</sup> hurry to believe, I can always  
<sup>D</sup> <sup>Em</sup>

trust, as much as you deceive

<sup>C D</sup> What can't be decided <sup>G C</sup>  
<sup>C</sup> In the morning it will bring itself to you <sup>C</sup>  
<sup>C D</sup> I can see what's coming, <sup>G C</sup>  
<sup>C D</sup> but I'm not saying it

G C D Em

<sup>G</sup> What's your middle name? <sup>C</sup> How do you play the game?  
<sup>D</sup> I'll be the first to leave <sup>Em</sup>  
<sup>G</sup> When did I grow up? <sup>C</sup> I don't want to say too much  
<sup>D</sup> I'll be the first to leave <sup>Em</sup>

<sup>C D</sup> What can't be decided <sup>G C</sup>  
<sup>C</sup> In the morning it will bring itself to you <sup>C</sup>  
<sup>C D</sup> What can't be decided <sup>G C</sup>  
<sup>C</sup> Can fool you into thinking <sup>G</sup> maybe you can choose <sup>C</sup>  
<sup>C D</sup> I can see what's coming <sup>G C</sup>  
<sup>C D</sup> I can see what's coming <sup>G C</sup>  
<sup>C D</sup> I can see what's coming <sup>G C</sup>  
<sup>D</sup> But I'm not saying it <sup>G</sup>
