

# Stars - Take Me To The Riot

Tom: B

riff 1                      riff 2

Riff one is based off the B, and riff 2 off the Gb with the last notes being on the G#m. You can play them as you strum the chords to play the keyboard at the same time. Sounds pretty neat.

(Intro)  
Abm E Gb then

Abm                      E                      B                      riff 1  
Grey skies and light fading, headlamps making patterns on the wall  
Abm                      E                      Gb                      riff 2  
Uptown it's dead now but, out here no one seems to care at all  
Abm                      E                      B                      riff 1  
Slick girls and sick boys and each one lining up to take it home  
Abm                      E                      Gb                      riff 2  
They hold tight their coin and they pray no one has to see the fall  
Abm                      E                      B                      riff 1  
I'm there, yeah I serve them, the one with the empty looking eyes  
Abm                      E                      Gb                      riff 2  
Come closer, you'll see me: the face that is used to telling lies

B                      Gb                      Abm                      E  
Saturday nights in neon lights, Sunday in the cell  
B                      Gb                      Abm  
E  
Pills enough to make me feel ill, cash enough to make me well  
B                      Dbm  
Take me, take me to the riot  
Abm                      E  
Take me, take me to the riot  
B                      Dbm

Take me, take me to the riot  
Abm                      E  
Take me, take me to the riot  
Take me...

Abm E F#, Abm E B  
Abm                      E                      B                      riff 1  
You sprung me, I'm grateful, I love when you tell me not to speak  
Abm                      E                      Gb                      riff 2  
I owe you but I know you, you'll have me back but it's gonna take a week  
Abm                      E                      B                      riff 1  
What now kid?, which way love? Will we ever make up and be friends?  
Abm                      E                      Gb                      riff 2  
Good news is my shoes is lined with all my nickels and my tens  
Abm                      E                      B                      riff 1  
Let's do them! Just feed me... I hate when I have to go to sleep  
Abm                      E                      Gb                      riff 2  
You despise me and I love you, It's not much but it's just enough to keep...

B                      Gb                      Abm                      E  
Saturday nights in neon lights, Sunday in the cell  
B                      Gb                      Abm  
E  
Pills enough to make me feel ill, cash enough to make me well  
B                      Dbm  
Take me, take me to the riot  
Abm                      E  
Take me, take me to the riot  
B                      Dbm  
Take me, take me to the riot  
Abm                      E  
Take me, take me to the riot  
And let me stay...  
B, C#m, G#m, Gb até o fim

## Acordes
