

# Starset - Bringing It Down

tom: C

I saw it in your eyes Am F  
 I saw the creature deep inside Am Em E  
 You opened up your cage Am F  
 Pathetic insect Am  
 Drawn to flame Em E  
 I'm falling apart F G  
 Inside your holographic heart Am Em F  
 Lost souls dancing G F  
 And now the lie's collapsing G

There's something inside you that isn't right Am F G Am  
 There's something that haunts your dreams at night Am F G Am  
 There's something that you have lost Am F G  
 And you're bringing it down F G  
 You're bringing it down F G Am  
 On top of us F G

I see the crimson thief Am F  
 Hanging on heartstrings Am  
 Dripping bleach Em E  
 Victim with hands in sleeves Am F  
 Your lying swan sings Am  
 As I reach Em E  
 I'm falling apart F G  
 Am Em F

Inside your holographic heart G F  
 Lost souls dancing G  
 And now the lie's collapsing G

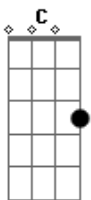

There's something inside you that isn't right Am F G Am  
 There's something that haunts your dreams at night Am F G Am  
 There's something that you have lost Am F G  
 And you're bringing it down F G  
 You're bringing it down F G Am  
 On top of us A F G Am  
 ( F G Am )

Silly me F  
 I thought I had it G  
 I came so close this time F G  
 I knew your heart was plastic F G Em  
 I still thought I could make it mine F G Em  
 Surrender you my mind F G Em  
 Your creature is inside F G  
 Devouring me, devouring me alive F G

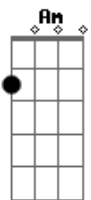

There's something inside you that isn't right Am F G A  
 There's something that haunts your dreams at night A F G Am  
 There's something that you have lost Am F G  
 And you're bringing it down Am G  
 You're bringing it down F G  
 On top of us A F G Am

[Final] F G Am
