

# Starset - Dark On Me

Tom: C  
Intro: Am F G

Am  
There's no hate  
Am  
There's no love  
F G  
Only dark skies that hang above  
Am  
I call your name as I walk alone  
F G  
Send a signal to guide me home  
  
F Am D  
Light the night up, you're my dark star  
G  
And now you're falling away  
  
Am G  
But I found in you what was lost in me  
C F  
In a world so cold and empty  
Am G  
I could lie awake just to watch you breathe  
C F  
In the dead of night, you went dark on me  
  
Am  
You're the cause  
Am  
The antidote  
F G  
The sinking ship that I could not let go  
Am  
You led my way then disappeared  
F G  
How could you just walk away and leave me here?  
  
F Am F  
Light the night up, you're my dark star  
Dm

And now you're falling away  
  
Am G  
But I found in you what was lost in me  
C F  
In a world so cold and empty  
Am G  
I could lie awake just to watch you breathe  
C F  
In the dead of night, you went dark on me  
  
You can rest this part or play Am over it  
  
F Dm Am C  
Blinded, I can't do this on my own  
F Dm F  
You were all I've got to guide me home  
  
( Am G C F2 )  
  
Am G  
I could lie awake just to watch you breathe
