Tom: E

(com acordes na forma de D)
Capostrate na 2ª casa

Bm
Under the knife I surrendered

The innocence yours to consume

G
You cut it away

Em
And you filled me up with hate

Bm
Into the silence you sent me

Into the fire consumed

G
You thought I'd forget

Em
But it's always in my head

G
You're the pulse in my veins

Em
You're the war that I wage

Bm
Can you change me?

A
Can you change me?

G
You're the love that I hate

Em
You're the drug that I take

Bm
Will you cage me?

A
Will you cage me?

G
You're the pulse in my veins

Em
You're the war that I wage

Bm
Can you change me?

A
Can you change me?

G **Em**
From the monster you made me?

Bm **A** **Bm**
The monster you made me?

Bm
This is the world you've created

The product of what I've become

G
My soul and my youth

Em
Seems it's all for you to use

Bm
If I could take back the moment

I let you get under my skin

G
Relent or resist?

Em
Seems the monster always wins

G
You're the pulse in my veins

Em
You're the war that I wage

Bm

Can you change me?

A
Can you change me?

G
You're the love that I hate

Bm **A** **Em**
The monster you made me?

G **Bm**
My heart's an artifice, a decoy soul

A **Em**
I'll lift you up and then I'll let you go

G **Bm**
I've made an art of digging shallow holes

A **Em**
I drop the darkness in and watch it grow

G **Bm**
My heart's an artifice, a decoy soul

A **Em**
Who knew the emptiness could be so cold

G **Bm**
I've lost the pieces that could make me whole

A
I am the darkness, I'm a monster

G
You're the pulse in my veins

You're the war that I wage
