

Starset - Perfect Machine

tom:

Intro: D

Am

Show me your insides

Am

Show me your secrets

F

Show me what you desire

Em

I can fake it

Am

Show what you wanted

Am

So I can be it

F

And if I bend just right

Em

I can make it

Am

I didn't want you

Am

I wanna watch you change

Em

From a butterfly and into chains

Am

Lay your heart into my perfect machine

C

I will show you what you wanted to see

F

Just a mirror till I get what I need

Em

The revery was not of me

Em

Never saw nothing

Never saw nothing

Am

I'm just a liar

Am

Without deceiving

F

I'm just a broken clown

Em

Make-believe in

Am

I should've let you know

Am

You should've ran for cover

Em

I'm just a politrick until it's gone to fade

A

Lay your heart into my perfect machine

C

I will use it to protect you from me

F

I will never let you see what's beneath

E

So good for you and good for me

E

Told ourselves we like where we ought be

F

Even you know

F

Even you know

E

This was all for nothing

E

Just a sad show

F

Just an ego

I suppose though

F

As far as I know

E

We were both pretending

E

I suppose so

But what do I know?

F

Even you know

F

Even you know

E

This was all for nothing

E

Just a sad show

F

Just an ego

I suppose though

F

As far as I know

E

We were both pretending

E

I suppose so

But what do I know?

A

Lay your heart into my perfect machine

C

I will show you what you wanted to see

F

Just a mirror till I get what I need

E

The revery was not of me

E

Never saw nothing

Never saw nothing

A

Lay your heart into my perfect machine

C

I will use it to protect you from me

F

I will never let you see what's beneath

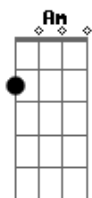

E

So good for you and good for me

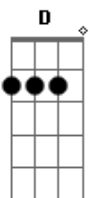

E

Told ourselves we like where we ought be
