

# Starset - Telepathic

Tom:

Intro: **Dm**

[Primeira Parte]

And if I had my way  
 I would run to the rescue  
 It never works that way  
 When you call a bluff  
 Oh, all the fools rush in  
 It's a battle to surround you  
 And all the fools want in  
 But I'm not giving up

**Gm** I don't wanna let you go, I can't stand to watch this  
**Gm** I don't wanna let you know, but you can read my mind

[Refrão]

**Dm** I feel it all the time  
**Bb** Felt it all around you  
 You had me under spell right from the start  
 I don't have a telepathic heart  
**Dm** Blind, I fall into the line  
**Bb** That's waiting just to get you  
**Dm** But I don't ever know just what we are  
**C** I don't have a telepathic heart

[Segunda Parte]

**Dm** Look inside my brain  
**Bb** You'd know what I want before I tell you  
**Dm** Give me the words to say to make it enough, enough  
**Dm** Don't want your star-crossed fate  
**Bb** You are the sun, I am the full moon  
**Dm** Don't leave me lost in vain  
**C**

I can be what you want
