

# Starset - Telepathic

Tom: F

And if I had my way  
 I would run to the rescue  
 It never works that way  
 When you call a bluff  
 All the fools rush in  
 It's a battle to surround you  
 And all the fools want in  
 But I'm not giving up

I don't wanna let you go  
 But I can't stand to watch this  
 I don't wanna let you know

But you can read my mind  
 I feel it all the time  
 Felt it all around you  
 You had me under spell right from the start  
 But I don't have a telepathic heart  
 Blind, I fall into the line  
 That's waiting just to get you  
 But I don't ever know just what we are  
 I don't have a telepathic heart  
 Oh oh oh? ooooooh oh oh oh oooooh

Look inside my brain  
 You know what I want before I tell you  
 Give me the words to say  
 To make it enough  
 Don't want your star-crossed fate  
 You are the sun I am the full moon  
 Don't leave me lost in vain  
 I can be what you want

I don't wanna let you go  
 But I can't stand to watch this  
 I don't wanna let you know

But you can read my mind  
 I feel it all the time  
 Felt it all around you  
 You had me under spell right from the start  
 But I don't have a telepathic heart  
 Blind, I fall into the line  
 That's waiting just to get you  
 But I don't ever know just what we are  
 I don't have a telepathic heart  
 Oh oh oh? ooooooh oh oh oh oooooh  
 Oh oh oh? ooooooh oh oh oh oooooh

And you always turn away  
 Back to the start when I break through  
 You can run you can run away  
 I will wait in the dark for you  
 I shoulda never felt this way  
 Cause you're the sun and I'm just a moon  
 I'm in the dark 'till you light the way  
 Cause I'm see through

You can read my mind  
 I feel it all the time  
 Felt it all around you  
 You had me under spell right from the start  
 But I don't have a telepathic heart  
 Blind, I fall into the line  
 That's waiting just to get you  
 But I don't ever know just what we are  
 I don't have a telepathic heart  
 Oh oh oh? ooooooh oh oh oh oooooh  
 Oh oh oh? ooooooh oh oh oh oooooh
