

Starship - Nothings Gonna Stop Us Now

tom:
 Gb
 Looking in your eyes I see a paradise
 This world that I ve found
 Is too good to be true
 Standing here beside you
 Want so much to give you
 This love in my heart that I m feeling for you
 Let em see were crazy, I don t care about that
 Put your hand in my hand baby
 Don t ever look back
 Let the world around us just fall apart
 Baby we can make it if were heart to heart
 And we can build this thing together
 Standing strong forever
 Nothings gonna stop us now
 And if this world runs out of lovers
 We ll still have each other
 Nothings gonna stop us, nothings gonna stop us now
 I m so glad I found you
 I m not gonna lose you
 Whatever it takes I will stay here with you
 Take it to the good times

See it through the bad times
 Whatever it takes is what I m gonna do
 Let em say were crazy, what do they know
 Put your arms around me baby
 Don t ever let go
 Let the world around us just fall apart
 Baby we can make it if were heart to heart
 And we can build this thing together
 Standing strong forever
 Nothings gonna stop us now
 And if this world runs out of lovers
 We ll still have each other
 Nothings gonna stop us, nothings gonna stop us now
 Ooh, all that I need is you
 All that I ever need
 And all that I want to do
 Is hold you forever, ever and ever, hey
 And we can build this thing together
 Standing strong forever
 Nothings gonna stop us now
 And if this world runs out of lovers
 We ll still have each other
 Nothings gonna stop us, nothings gonna stop us now
