

Starship - Nothings Gonna Stop Us Now

tom: Looking in your eyes I see a paradise This world that I ve found Is too good to be true Standing here beside you Want so much to give you This love in my heart that I m feeling for you Let em see were crazy, I don t care about that Put your hand in my hand baby Don t ever look back Dbm Let the world around us just fall apart Baby we can make it if were heart to heart And we can build this thing together Standing strong forever Nothings gonna stop us now And if this world runs out of lovers We ll still have each other Nothings gonna stop us, nothings gonna stop us now I m so glad I found you I m not gonna lose you Whatever it takes I will stay here with you Take it to the good times

See it through the bad times Whatever it takes is what I m gonna do Let em say were crazy, what do they know Put your arms around me baby Don t ever let go Let the world around us just fall apart Baby we can make it if were heart to heart And we can build this thing together Standing strong forever Nothings gonna stop us now And if this world runs out of lovers We ll still have each other Nothings gonna stop us, nothings gonna stop us now Ooh, all that I need is you All that I ever need And all that I want to do Is hold you forever, ever and ever, hey And we can build this thing together Standing strong forever Nothings gonna stop us now And if this world runs out of lovers We ll still have each other Nothings gonna stop us, nothings gonna stop us now
