

# Stateless - Prism #1

Tom: B

**Ebm** **Gb**  
**Ab**  
 Woke up with a start, your voice in my head last night  
**Ebm** **Gb** **Ab**  
 Now I can't remember a single Word  
**Ebm** **Gb** **Ab**  
 Images come back flashing like a broken light  
**Ebm** **Gb** **Ab**  
 Everything has gotten a little blurred  
**Ebm** **Gb**  
 Snapped another thread, burned another bridge last night  
**Ebm** **Gb** **Ab**  
 How come I can act like such a fool?  
**Ebm** **Gb** **Ab**  
 I'm chasing it around, feels like an addiction  
**Ebm** **Gb** **Ab**  
 Guess I'll disregard it, make it disappear

**Db**  
 Everything we said is messing with my head  
 I'm hanging by a thread and it's waning

**Ebm** **E** **Abm** **Abm**  
 You're just a little scared of being lonely  
**Ebm** **E** **Abm**  
 And I am, I am t0o  
**Ebm** **E** **Abm** **Abm**  
 You're just a little scared of being lonely  
**Ebm** **E** **Abm**  
 And I am, I am t0o

( **Ebm** **Gb** **Ab** )

**Ebm** **Gb** **Ab**  
 Images come back flashing like a broken light  
**Ebm** **Gb** **Ab**  
 Everything has gotten a little blurred

**Ebm** **Gb** **Ab**  
 It's chasing me around, it feels like an affliction  
**Ebm** **Gb** **Ab**  
 Guess I'll have to face it, make it disappear

**Db** **Ab**  
 Everything we said is messing with my head  
 I'm hanging by a thread and it's waning

**Ebm** **E** **Abm** **Abm**  
 You're just a little scared of being lonely  
**Ebm** **E** **Abm**  
 And I am, I am t0o

 You're just a little scared of being lonely

**Ab** **Ebm** **E** **Abm**  
 You're just a little scared now, you're just a little scared  
 now

**Ebm** **E** **Abm** **Abm**  
 You're just a little scared of being lonely  
**Ebm** **E** **Abm** **Abm**  
 You're just a little scared of being lonely

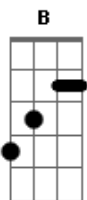

**Ebm** **E** **Abm**  
 And I am, I am t0o

 You're just a little scared now, you're just a little scared  
 now
