

Static-X - The Only

tom:

A

Tabbed by Alan de Souza Bernardes

I write in two different tunes but in the original tuning it's a little bit easier. It will be easy if you hear the music when are playing and the effects will be easy

nh = natural harmonic

Lyrics

I'm winning, you're losing
I'm falling, your agony
Lower than lower, before
Your forgotten memory

My heaven, your hell
I'm killing, your fantasy
More and more, you follow
Your divorced reality

You're trying to take me
You're trying to make me
This is the only
Give me the only thing
I'm tired of trying
I'm tired of lying
The only thing I understand is what I feel

Identity, fantasy
Heresy, killing me
Lower than lower, before
This thing to feed

Hypocrite, lunatic
Fanatic, heretic
More and more, you follow
Your divorced reality

You're trying to take me
You're trying to make me
This is the only
Give me the only thing
I'm tired of trying
I'm tired of lying
The only thing I understand is what I feel

Hypocrite, lunatic, fanatic, heretic
