G D Bm
So they made you a star
Em C G
Now your head's in a cloud
Am

G D Bm
Now you're walking down the street
Em C G
With your feet off the ground
Am

Em D C
They read in the press all about your success
Am Em
They believe every word they've been told
Em D

G
After all you've been through tell me what will you do
Am Em D
When you find yourself out in the cold?

D C
Ah, tell me
D C
Ah, tell me

When you appear on the stage,
There's a standing ovation
You really live out your performance
You're the biggest sensation

You breeze thru the door and when you take the floor
You expect to have it all to yourself
After all you've been through tell me what will you do
When you find yourself back on the shelf?

Ah, tell me. Ah, tell me

G
You breeze thru the door and when you take the floor
You expect to have it all to yourself
Bb
After all you've been through tell me what will you do
When you find yourself back on the shelf?

C
Ah, tell me. Ah, tell me..

Em D C G Am Em Bb (repeat and fade)
Do do do doooo
