

# Steam Powered Giraffe - Hot On The Trail

tom:

C

[Verso 1]

Am  
Well you don't like that way that I am (is not the way)  
F  
Way that you want and the way you understand (but I can't)  
C  
Can't help being the way that I am (it's just the way)  
G  
Way that it is and what I know so sorry about

Am  
All of these things that I be and I know (it's all me)  
F  
And not you but this ain't how I wish (it to be)  
C  
For you and your way and I know (it's all me)  
G  
Just know that I know, I know it's all on me

[Pré-Refrão]

F G Am  
All the little pieces make up so much sense in the distance,  
a-whoa-ho-ho-ho  
F G Am  
Fragmented to the point of is it possible?

[Refrão]

F G Am F  
Hot on the trail of a real fine life  
F G Am F  
This could be what it means to be alive  
F G Am F  
Can't be too sure but it feels the right way  
F G Am  
Love is infinite like sun rays

[Verso 2]

F G C  
I know what I need to be me  
And I know being me makes it hard to see  
F G C  
Standing on a precipice isn't new  
F G C  
Those demons sometimes get me seeing blue

[Ponte]

F G  
All this, call this, what you want but it  
C F  
Makes me feel alive  
F G  
Stowed it, showed it, now I know it  
C F  
Can't be in my mind  
F G  
It was foreign, pouring, I've been storing  
C F  
This for a long while  
F G  
I consumed, felt doomed, sung a new tune  
C F  
Eventually in time

[Verso 3]

Am  
But you don't like that way that I feel (is the way)  
F  
Way that makes you feel worse all of the time (and I know)  
C

Know that it's not okay for you (and it's not)

G  
Not for me and is for you so sorry about

Am  
All of these things that you didn't sign up for (and I don't)  
F  
Don't wish the pain on you it's so sore (but I've been)  
C  
Honest to fault (but it doesn't help)  
G  
I know that hurts and it hurts and it keeps on hurting

Am  
Every single time we try and try to  
F  
make things right for you and I  
C  
We just kept digging, digging it deep  
E  
Below our feet 'till we started to sink

Am  
And I didn't know what what to do  
F  
I told myself the truth the truth  
C  
And I could understand and you could understand  
E7  
But how could we stand, when there was nowhere to stand?

Am  
And all the little things that get under our skin  
F  
Didn't make us better in that heavy weather  
C  
I hope that it's better but never upsetter  
E7  
We took ours hands, made some vague plan

[Pre-Refrão]
