

Steffany Gretzinger - No Turning Back

tom:
D

I want to walk just like You

I want to talk just like You

Lord, keep my eyes on You

Take up my cross just like You

Lay down my life just like You

Lord, keep my eyes on You

No turning back

No turning back

I have decided to follow Jesus

I have decided to follow Him

The cross before me

The world behind me

No turning back

I want to walk just like You

I want to talk just like You

Lord, keep my eyes on You

Yeah, lay down my life just like You

Take up my cross just like You

Lord, keep my eyes on You

No turning back

No turning back

I have decided to follow Jesus

I have decided to follow Him

The cross before me

No turning back

The world behind me

No turning back

No turning back, no turning back (No turning back)

No turning back, no turning back (You deserve it all, God)

No turning back, no turning back (Everything, God)

And if I live, I'm living for You

And if I die, I'm dying for You

Whatever comes

Lord, let it be true

I'm following You, I'm following You

I have decided to follow Jesus

I have decided to follow Him

The cross before me

The world behind me

No turning back

I have decided to follow Jesus

I have decided to follow Him

The cross before me

The world behind me

No turning back

All my life

(You're my future, God) I'm following You, Jesus

(My future and my hope) Oh

I'm following You (Just to have You, God)

Where You lead me, I will follow

Yes, I'm following You (Take up my cross and follow You)

I have decided to follow Jesus

No turning back
