C7M
 You think I'm pretty without any makeup on
Em
 You think I'm funny when I tell the punchline wrong
G
 I know you get me
D
 So I let my walls come down, yeah come down

C7M
 Before you met me
Em
 Yeah, I was alright, but things were kinda heavy
G
 You brought me to life, now every February
D
 Yeah, you'll be my Valentine, valentine

C7M
 So let's go all the way tonight
Em
 No regrets, just love
G
 Yeah we can dance until we die
D
 You and I will be young forever

C7M
 'Cause you make me
Em
 Feel like I'm livin' a teenage dream
G
 The way you turn me on, I can't sleep
D
 Let's run away and don't ever look back

Ever look back, oh
C7M
 My heart stops when you look at me
Em
 Just one touch, now baby, I believe

Acordes

G
 This is real
D
 So take a chance and don't ever look back
 Ever look back, oh
C7M
 We drove to Cali and got drunk on the beach
Em
 Got a motel and built a fort out of sheets
G
 I finally found you, my missing puzzle piece
D
 I'm complete

C7M **Em**
 And Imma get your heart racing in my skin-tight jeans
G **D**
 Be your teenage dream tonight
C7M **Em**
 Let you put your hands on me, in my skin-tight jeans
G **D**
 Be your teenage dream tonight

C7M
 Oh, 'cause you make me
Em
 Feel like I'm livin' a teenage dream
G
 The way you turn me on, I can't sleep
D
 Let's run away and don't ever look back

Ever look back, oh
C7M
 My heart stops when you look at me
Em
 Just one touch, now baby, I believe
G
 This is real
D
 So take a chance and don't ever look back
 Ever look back, oh
