

Stephen Day - Autumn's Song

tom:
 Db (forma dos acordes no tom de D)
 Afinação: Eb Ab Db Gb Bb Eb

Intro: G

Have you been outside lately?
 Those leaves sure are changin'
 Reminds me of that time
 We spent hours carvin' faces
 Making Jack-o-lanterns
 Light up in the night
 It's an image that's ingrained
 Inside my mind

Well, that year spent waiting
 Walking empty pavement
 I got by just fine

Didn't notice what was vacante
 Now the fallin' leaves that
 Echo out your name
 Fill the space of you the same

I'm still fallin' out of love with you
 And I'm headin' for the door

Not sure if I'll go through
 Memories, they take so long to erase
 Will they ever even start to fade?

When the nights get cold
 Sometimes when I look over
 I see you by a fire
 With your hands out in the open
 And I wonder if you're
 Singing Autumn's song
 Or if I'm singing all alone
 I must be singing on my own

I'm still fallin' out of love with you
 And I'm headin' for the door
 Not sure if I'll go through
 Memories, they take so long to erase
 Will they ever even start to fade?
 I'm on my way
 Just not today
