

Stephen Lynch - Dr Stephen

Tom: C

Tabbed by: Jared

This is officially my first tab submitted to this site. The song is "Dr. Stephen" from album "Superhero," which is entirely live, and absolutely hilarious. I've tabbed the as well as I could according to the way he plays it on that album, and I think it sounds accurate. However, if anyone has any corrections, e-mail me and let me know. Thanks!
