

# Stephen Lynch - For The Ladies

Tom: C

~~~~~  
 Tabbed by Amea

This is a great fuing song by Lynch! One of his most controversial punchlines is in this song (Well, that and the part about SIDS in "Baby" has created lots of drop-the chin faces..hehe)  
 Anyway, I saw this song incorrectly tabbed on another site so I just had to fix it.  
 Listen to the song for the timing. This tab is as he plays it on the DVD Live At The El Rey)

Please mail me if you have questions..  
 Intro: "I'd like to dedicate this next song.. to the ladies. (whooh!)

You might wanna hold off on them "whooh"'s, ladies  
 This is really a terrible terrible song.  
 It really is, I'm warning you right now: this one is FUING awful!  
 If you're sensitive, I'm warning you right now; Earplugs."
