

# Stephen Lynch - She Gotta Smile

Tom: E

Finger Picking Intro:

E A D B

E A D B  
 She's got a smile, oh she's got a smile  
 E A D B  
 And she's flashing it right at me

She's got a wink, a wink across the bar  
 and I know that's meant to be.  
 She's got a walk, oh she's walking over  
 and I think this could be my day.  
 She's got a ... friend, oh she's a got a friend  
 Why she standing in her way?  
 Its a big fat friend...

Chorus:

E A E? B

-strum E A E? B

Oh God there's always one (Big fat friend)  
 To spoil my fking fun.

Now baby baby baby if its boots you want to knock  
 Leave your chubby friend at home because she's gonna  
 block the ck  
 Now I'm afraid of no man, with any I'll contend,  
 E B  
 But I cannot compete with your big fat friend

Back to Finger Picking Intro:

## Acordes

So big fat friend, ah we meet again,  
 You won't leave her alone  
 you roll your eyes, make sarcastic comments  
 while you're sucking on a chicken bone

Strum Intro Chords:

But that's okay, you think you won the battle but I tend to disagree  
 See I know you, and your Achilles' Heel and he's standing next to me

Back to Chorus:

So what that you're a cow (non discriminating friend)  
 I'll nail you any how. {Hold B}  
 I know that he's no looker and he's had a couple rounds  
 But for every shot of Jeger hey you lose a couple pounds.  
 {Hold B}

Now baby baby baby bring the evening to an end  
 E B  
 Just you and me and my pal and your Big Fat Friend

Outro:

E-----4-----3-----2-----X-----|  
 B-----5-----4-----3-----4-----|  
 G--slide to 4-----4-----3-----2--4-----|  
 D-----4-----4-----4-----4-----|  
 A-----2-----2-----2-----2-----|  
 E-----X-----X-----X-----|  
 end on B

Well that's the best I can do. This is my first tab, so hopefully it's understandable.
