

Steppenwolf - Desperation

Tom: B

^B When rain drops ^{Gb} fall and you feel ^E low ^B

Ah, do you ever think it's useless

^E Do you feel like ^B letting go

Do you ever sit and do you wonder

^E Will the world ever ^B change

And just how long will it take

^E To have it all ^B rearranged

^F Tell me why these things are ^E still the same ^B

^F ^E ^B

Tell me why no one can seem to learn from mistakes

^{Gb} Take my hand if you ^E Eon't know where your ^B goin'

I'll understand, I've lost the way myself

Oh, don't take that old road it leads to nowhere

^{Gb} We must return before the clock strikes ^E twelve ^B

It's so easy to do nothin'

When you're busy night and day

Take a step in one direction

And take a step the other way

So don't stop tryin' when you stumble

Don't give up should you fall

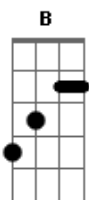

Keep on searchin' for the passway

That will lead you through the wall

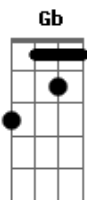

Don't look back or you'll be left behind

Don't look back or you will never find peace of mind
