

Steppenwolf - Rock Me

Tom: C
Intro: C F C F

C F
She asked me maybe I could share her sorrow
C F
For all the men that tried to treat her wrong
C F
Though just a baby, awaiting her tomorrow
C F
It's rock me baby, rock me baby, all night long
C F
She needs an answer to her confusion
C F
Someone to guide her with tenderness
C F
But when she's askin' for a solution
C F
All that she gets, you know, is something like this

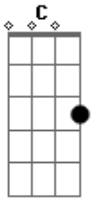

D C
I don't know where we come from
D C
Don't know where we're goin' to
D C
But if all this should have a reason
D C
We would be the last to know

D C
So let's just hope there is a promised land
D
Hing on 'til then
C
As best as you can

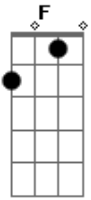

C F
Ev'rybody's ills, you know it fills her with compassion
C F
That's why she tries to save the world alone
C F
She helps the needy in her own fashion
C F
And tries to give them all her own
C F
She needs an answer to her confusion
C F
Someone to guide her with tenderness
C F
But when she's askin' for a solution
C
All that she gets, you know, is
F
Something like this
