 Fuck what you thought I'd do without you  
 Em D  
 I'm so much better like you never met me  
 C G  
 I'm doing anything I want to  
 Em D  
 I'm going zero to eighty  
 C G  
 So when you see me talk to strangers  
 Em D  
 No don't you let it get the best of you  
 C G  
 You let me slip right through your fingers  
 D Em  
 And now his fingers running down me too  
 C G  
 I can hear the blood rush through your veins  
 Em D  
 I can feel the heartbreak on your face  
 C  
 I'm onto the next you  
 G  
 Hope you got a good view  
 Em D  
 Watch me while I talk to  
 C G  
 Oh stra-ngers  
 Em D  
 Stra-ngers

 The other day I found your T-shirt  
 Em D  
 And I'd be lying if I said that it didn't hurt  
 C G  
 But fuck it it goes with my short skirt  
 Em D  
 And I look good in it baby  
 C G  
 So when you see me talk to strangers  
 Em D  
 No don't you let it get the best of you
