You told me lies right to my face  
F G A C  
I've got your number your a fake

A  
One too many times I took the bait  
G  
You told me lies right to my face  
F G A C  
I've got your number your a fake

A  
You act like your so happy  
G  
you play the role so badly  
F G A C  
put down your pills and walk away  
A  
You line up on your mirror

G  
inventing all your grandeur  
F G A C  
why don't you stare into your face?
