 BTA Army Memeber

Best song from P&C in my opinion, tricky guitar riff as well. Correctness 90%, listen to song for the length of the various chords and changes (chorus & link), especially final verse for slides.

## Verse

G-  
 D-  
 A-----8--88888888  
 E?3--33?8--88?3--33?8--88?5--55

## Chorus

G-
