

Stereophonics - We Share The Same Sun

Tom: G
Intro: Bb Bb Gm Bb

Bb Bb Gm Bb
Calling over, to seize my hunger
Bb Bb
To see you, to feel you
Gm Bb
To be with, need you

Bb Bb
We hold out, we hold on
Gm Bb
I'm older, colder
Bb Bb Gm Bb
Here it comes light up my sky

Bb Bb G
Yeah we share the same sun
F
Everyday
Bb Bb G
Yeah we share the same sun
F
Everyday

Bb Bb
White lights, blinding
Gm Bb
Headlights, driving
Bb Bb
To see you, to feel you
Gm Bb
To be with, need you

Bb Bb
We hold out, we hold on
Gm Bb
I'm older, colder
Bb Bb Gm Bb
Here it comes light up my sky

Bb Bb G
Yeah we share the same sun
F
Everyday

Bb Bb G
Yeah we share the same sun
F
Everyday

Bb Bb
When my light is out for you at home
Gm Bb
It shines for me in early dawn
Bb Bb
We're worlds apart but now I see
Gm Bb
I'm in your heart whenever we are apart
Bb Bb Gm Bb
And the sky shines bright

Bb Bb G F
Within the morning sun (in the morning, sunday morning sun)
Bb Bb G F
Our time has just begun (time has just begun, has just begun)
Bb Bb G F
In the morning sun (in the morning, sunday morning sun)
Bb Bb G F
Our time to end(?) will come

Bb Bb G
Yeah we share the same sun
F
Everyday

Bb Bb G
Yeah we share the same sun
F
Everyday

Bb Bb
When my light is out for you at home
Gm Bb
It shines for me in early dawn
Bb Bb
We're worlds apart but now I see
Gm Bb
I'm in your heart whenever we are apart
Bb Bb Gm Bb
And the sky shines bright

Yeah we share the same sun, everyday
