

Stereophonics - You're My Star

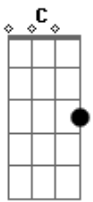

tom:
 C
 You fly, with angels' wings Am
 You got my, blood in your veins Am
 F C
 And your eyes, see everything
 F C
 And they shine, like diamond rings
 Am
 You're my Sunday
 F C
 You make my Monday, come alive
 Am F
 Just like Tuesday, you're a new day
 C
 That wakes me up
 Am
 Wednesday?s raining
 F
 Thursday?s yearning
 C
 For Friday nights
 Am F
 Then it all ends at the weekend
 C
 You're my star
 C Am
 At times, I cave right in
 C Am
 But this fight we have to win
 F C
 And your songs you love to sing
 F C
 May your dreams, forever live
 Am
 You're my Sunday
 F C
 You make my Monday, come alive
 Am F

Just like Tuesday, you're a new day
 C
 That wakes me up
 Am
 Wednesday?s raining
 F
 Thursday?s yearning
 C
 For Friday nights
 Am F
 Then it all ends at the weekend

 You're my star
 Am
 You're my star
 F
 Yes you are

 It's a thrill to see your imagination

 Just like Tuesday, you're a new day
